### What is a Time Trial Race?

A Time Trial Race is a race where riders will start in one minute increments and compete against the clock. Riders may overtake other riders but cannot draft. Every week a handicap will be established and applied to your next race. Weekly prize will be awarded to the top finisher and trophy awarded to the fastest seasonal time. As with all club events, riders must wear helmets and obey traffic laws.

### Where and when?

Races dates will be May 16, and 30, June 14, and 28, July 12, and 26, Aug. 9, and 23. All races will begin at the corner of 39th St. and Broad Ave. Altoona. Races will follow 39th St. and Kittanning Point Rd. to the Horseshoe Curve visitors center, and back. Registration will begin at 8:30am. Racing will begin at 9 am.
